FROM: CLAY COLLINS – MIDCOAST ENVIRONMENTAL, INC..
RE: NOTICE OF RE-INSPECTION FOR ASBESTOS – **PLEASE POST THIS NOTICE IN ALL SCHOOLS.**

On february 5, 2013, the **buildings in the MSAD #75 school district** were re-inspected

for the presence of asbestos containing materials and the condition of said materials in compliance with the EPA Asbestos Hazard Emergency Response Act (AHERA). Written plans are available for public inspection. Copies of the plans are located at each school administrative office and can be viewed during normal business hours.
