Dear Parent,

Your student will be receiving a state-owned MLTI Mac Book Air. This laptop will enhance your student's learning, as technology is integrated into classroom instruction. Laptops help students learn "hard to teach" concepts, practice skills needed for academic success, provide the most current research and help your child learn 21<sup>st</sup> century skills. Your child may bring the Mac Book Air home to continue work on class assignments, complete homework, and work on projects. Parents may also request that the assigned laptop stay at school. Please contact the school Learning Commons for more details.

MSAD 75 offers Take-Home Coverage for the MLTI Mac Book Air. You may elect to purchase this Coverage for the laptop assigned to your child. For a one-time yearly fee, the Take-Home Coverage covers accidental damage that occurs outside of school. Please see the back of this sheet for the cost of the coverage.

Purchasing take home coverage is not required, but repair costs for damaged laptops which are not enrolled in the coverage plan will be the full responsibility of parents. This form must be completed and returned to the school, regardless of the election of coverage; except for those who make online payment for coverage. Those submitting online payment do not need to return this form.

**Coverage Details:**

**Coverage Plan Annual Enrollment Fee:**

- See chart on reverse side

**Deductible:**

- \$50.00 per billable damage incident.

**Coverage benefits:**

- Accidental damage outside of school
- Fire
- Natural disasters
- Power surges

**Equipment covered:**

- Apple Mac Book Air, Charger, Extension Cord, Case.

**Please note: Wanton and willful destruction or negligence is not covered. Food, drinks, and liquids must not be near the laptop. Damage from food or drink or liquids will be considered negligence. All damage incidents deemed Negligence result in students being billed the entire repair charge, or the cost of laptop replacement, if less expensive. The current MacBook Air replacement cost is \$699.00.**

Take Home Coverage has limitations. Issues of theft, loss or intentional damage will be referred to administrators and possibly the police for investigation. In these instances the level of coverage will be determined on a case-by-case basis.

MLTI Take Home Coverage can be paid online, in the 'Payment' section of the Infinite Campus Parent Portal. You can also send a payment to school with your child, but we urge you to use the online payment. Payments delivered to school should be turned in to the Main Office. Checks should be made out to MSAD 75.

Laptops will be deployed on the first day of school, September 5, 2017. To ensure that your student receives a laptop on that day, each student must:

1. Return this completed form indicating whether electing to purchase, or declining coverage.
2. Pay any outstanding fees or fines, or make arrangements for a payment plan. (All payment plans must be arranged with school administration.)

Students and parents should complete these steps before the end of the 2016-2017 school year. Any outstanding form or fee issues remaining at the start of 2017-2018 school year may prevent students from being issued a laptop.

**Please Note: Payments for coverage not received by October 21, 2017 will result in a cancellation of coverage.**
