Dear Parent,

Your student will be issued a state-owned MLTI MacBook Air. Technology is integrated into classroom instruction; and MLTI laptops help enhance student learning by providing various learning opportunities. They help students practice skills needed for academic success, provide access to current research and help your child learn 21st century skills.

Your child may bring the MacBook Air home to work on class assignments, complete homework, and work on projects. Parents may also request that the assigned laptop stay at school. Please contact the school Learning Commons for more details.

MSAD 75 offers Laptop Coverage for the MLTI MacBook Air. For a yearly fee, the Laptop Coverage ensures accidental damage to the laptop will be billed at a rate of \$50.00 per incident.* Please see the back of this sheet for the cost of the coverage.

Purchasing laptop coverage is not required, but repair costs for damaged laptops not enrolled in the coverage plan will be the full responsibility of parents.

This form must be fully completed and returned to the school, except for those who make online payment for coverage. Online payment of coverage fees will count as submission of this form.

Coverage Details:

Coverage Plan Annual Enrollment Fee:

- See chart on reverse side

Deductible:

- \$50.00 per billable damage incident.

Coverage benefits:

- Accidental damage outside of school
- Fire
- Natural disasters
- Power surges

Equipment covered:

- Apple Mac Book Air, Charger, Extension Cord, Case.

***- Please note: Coverage has limitations. Wanton and willful destruction or negligence is not covered. Food, drinks, and liquids must not be near the laptop. Damage from food, drink or liquids will be considered negligence. All damage incidents deemed Negligence result in students being billed the entire repair charge, or the cost of laptop replacement, if less expensive.**

Additionally, issues of theft, loss or intentional damage will be referred to administrators and possibly the police for investigation. In these instances, the level of coverage will be determined on a case-by-case basis.

Coverage can be paid online, in the 'Payment' section of the Infinite Campus Parent Portal. You can also send a payment to school with your child, but we urge you to use the online payment option. Payments delivered to school should be turned in to the Main Office. Checks should be made out to MSAD 75.

Laptops will be deployed at the start of school in the fall of 2020. Because of the COVID 19 pandemic, the dates and details of deployment are currently unknown. That information will be sent to families when it becomes available. To ensure that your student receives a laptop on that day, each student must:

1. Return this completed form indicating coverage choice, or pay the coverage fee online.
2. Pay any outstanding fees or fines, or arrange for a payment plan. (All payment plans must be arranged with school administration.)

I / We have elected to purchase the MLTI Laptop Coverage and will send the payment to school.
(Payments for students in different schools should be made with separate checks. Payments for multiple students in the same school can be made on one check.)

I / We have elected not to purchase the MLTI Laptop Coverage. I / We accept all financial responsibility for the MLTI MacBook should it be accidentally or intentionally damaged, lost, or stolen.
