AGREEMENT TO PUBLISH STUDENT INFORMATION ON
MSAD 75 WEB SITES

MSAD 75 maintains official web sites to provide general information about the school system as well as information about educational programs, extracurricular activities, school events, and student and staff achievements.

Maine law requires public schools to obtain written approval from parents/guardians prior to publishing personal information about students on the Internet. This form will authorize MSAD 75 to publish the following:

1. Full names of students in connection with class rosters, honor rolls, awards received, and team/extracurricular activity participant lists.
2. Group and/or individual photographs of students.
3. Individual student or class work may be published on MSAD 75's web sites from time to time in accordance with established guidelines. Such work may include creative writing, research projects, art work, music, performances, and audiovisual presentations. All student work will include a copyright notice prohibiting the copying of such work without express written permission. Copies of the Board's Web Site Policy and Guidelines are available at the Superintendent's office, every school office, or on the High School's web site at www.mta75.org.

Please complete and return the following agreement form to the student activities office (SAO). This agreement will remain in effect unless it is rescinded in writing. If the form is not returned, no information about your student will be published on MSAD 75's web sites. If you have any questions, please contact the Web Manager, 729-2956, mtaweb@link75.org.
